

BASHER Head

The Senior Squad competed in the early season BASHER Head at Dorney Lake on 17th January. Despite predictions of strong winds, the course remained relatively calm and the two crews enjoyed some good rowing over the 3-lap 6000m course against crews from ten different schools. As the event happened after less than two weeks of training, the Radley crews were not really true “1st and 2nd” eights and the focus was more on reinforcing basic technique as opposed to all-out racing. The Radley “A” eight finished in 5th place out of a total of 14 senior eights and the “B” crew finished in 11th place. The event was a good “low pressure” season-opener for the crews and was an ideal opportunity to get in some early season head race practice.
