

Social Ergo Competition 2010

Tom Stewart, the Captain of Boats and Captain of the F Social team, receiving the trophy from the GB Men's eight coach, Christian Felkel

The Inter-Social Ergo Competition took place last Thursday (28th January) evening with 100 competitors (50 dry bobs and 50 wet bobs) pushing themselves to the limit for one minute to see which Social could achieve the most distance. G Social took an early lead, but C Social and F Social were also in strong contention. F Social came through in the last round to win the event, closely followed by C with G in third. There were some excellent scores posted, and it was encouraging to see the junior rowers posting some record distances. There was a great atmosphere in the hall and well done to all the competitors and supporters.
