Remembrance Sunday

The Service of Remembrance will take place on Sunday 12th November, 10:45am. Parents wishing to attend should avoid parking around Clocktower, Memorial Arch and the Bursary car park as these will be used for the parade and Guard of Honour. The service will be live-streamed and the link is available [here](#).

Car Wash Fundraiser

Tomorrow, F Social Removes will be washing cars to raise money for the Commonwealth Education Trust. The Commonwealth Education Trust is a fantastic charity that offers support to teachers to improve education standards around the world. If you wish to have your car cleaned (outside only!), please park in front of A, B or F Social on Saturday during, or after, your son's fixture and you will return to a sparkling vehicle.

Bigside vs Abingdon - Live Stream

Radley Video will live stream Bigside vs Abingdon, 2:30pm on Saturday 11th November. The link is available [here](#).

Darknet - Ticket Booking Open

Booking for this year's College Play, *DARKNET*, is now open. This new production tackles hot-topic issues ranging from the commercialisation of our private lives to online 'hacktivism' and the deep web. Our age guidance is 12+ due to occasional use of strong language and adult themes. There are three performances; Tuesday 14th, Wednesday 15th and Thursday 16th November in the Theatre at 7:45pm. The booking link for free tickets is available [here](#).

are not sure at this stage how many crews will be competing as we are monitoring the river conditions on a daily basis, but we should have at least two senior eights racing and hopefully a few more crews. We will update [SOCS](#) before the event.

Digital Archives

Radley's Digital Archive has been revamped. You can access historic photos, magazines, the audio collection, a medieval music manuscript and (soon) the film collection [here](#).

Private View - Friday 10th November

There is a private view of the Sewell Centre Gallery's latest exhibition on Friday 10th November, 6pm. *Peering Under Rocks* showcases 50 years of drawing and sculpture by Alan Franklin. Everyone is welcome and the exhibition will run until the end of term.

Christmas Carol Services 🎄 ✨

Booking for the Christmas Carol Services is now open. These events are always a high point of the Radley year as we gather in Chapel to sing our favourite carols, to listen to our fantastic choir, and hear the wonderful story of Jesus Christ's birth. Due to the popularity and complexity of these events, please read the information before making your booking.

Saturday 9th December, 7:30pm - [book here](#)

Sunday 10th December, 6pm - [book here](#)

All questions about the Christmas Carol Services should be directed to [Sue Colmer](#).

-Boys attend a compulsory service on the evening of Monday 11th December, therefore you may wish to ask him if he would like to attend twice.

-The service on Saturday 9th December is primarily for parents of boys in the Shell, Remove and Fifth Form (and parents of Sixth Form boys who are unable to come to the Sunday service). It is also for Radley staff and the local community. After the service, drinks and mince pies will be served in Hall.

-The service on Sunday 10th December is mainly for parents and close family of boys in the Sixth Form. After the service there is supper in Hall, followed by the Christmas Concert in Silk Hall at 8pm. Parents with sons involved in the concert may come to this service, regardless of their son's year group.

-The Coffee Shop in Clocktower Court will be open before both services.

-If your son is in the choir, either service is available to you. If your son is in the concert which is after the service on Sunday, please feel free to book tickets for Sunday.

-There is ample parking around College in the usual places.

-Dress is jacket and tie, boys in suits.

-Please cancel your booking if you are no longer able to attend, as this will free up seats for other families.

InspirED Conference

was the first part of three planned events across the year to challenge, inspire, and support pupils across the six partner schools. Through collaboration between both state and independent schools, Radleians are able to hear a broader perspective of ideas, learn how to work together, and become more aware of themselves and others – it is a genuine partnership of shared experiences. Following the conference, the boys offered feedback on the impact of the talks and how it had motivated them to step outside of their comfort zone, to follow their passions and take opportunities. The programme is available [here](#) and photos can be found [here](#). [\[info\]](#)
