Clothing, Sports' Kit and Equipment

Please see below a list of the clothing and equipment required for boys starting at Radley in September 2026. Please see the [New Boy Information](#) section of the website for further information.

Trunks are discouraged as storage space is limited within Socials. Please bring clothing and equipment in soft luggage/bags which are clearly marked with their name. In addition, all boys should bring a holdall for use at Leave-Away, Privilege Weekends and away matches.

Items marked * must be obtained from our school outfitters, Stevensons.

Name tapes

Parents will need to order extra woven name tapes from Stevensons to put on bedding and all other 'mufti' (non-uniform) items. In addition, parents must provide the school with an extra 100 woven name tapes, which need to be handed over to the PHM of your son's Social at the start of term.

The name taping service is only offered on items purchased via Stevensons.

If you are name taping items yourself and not ordering through Stevensons, please ensure name tapes are white with capital lettering in the following format: INITIALS – SURNAME 'SOCIAL' e.g. J. C. SMITH 'A'

Second-Hand Uniform

Our second-hand uniform shop will be open in the summer holidays. Please email admissions@radley.org.uk to arrange an appointment.

Sports' Equipment (please see [website](#) for further details on items below)

A variety of sports are on offer at Radley. All Shell boys will play a version of rugby in the first term and sports options for the rest of the year will become clearer as the Michaelmas Term progresses.

- ☐ Rugby (Michaelmas Term)
 - 1 x pair of rugby boots - evidence strongly supports the view that the nature of firm autumn grounds causes young boys, in particular, to suffer from sore ankles and feet when training and playing in new rugby boots. As a result, boys can miss out on several days of sport due to easily avoidable injuries. Undertaking some form of regular exercise over the summer holidays will help, as will wearing a softer rugby/football boot. These boots, termed 'moulded firm ground boots', have rubber studs rather than screw-in metal ones (not to be confused with a 'blades' style sole) and we would highly recommend your son has a pair, alongside his normal rugby boots.
 - 1 x mouthguard - all boys must wear mouthguards when playing rugby or hockey. If boys already have their own mouthguards, please do bring them. If not, boys will be measured for OPRO mouthguards in the first few days of term. Prices start from around £50.00. We do not recommend that you use any home impression kits which can be unreliable.
- ☐ Hockey (Lent Term)
 - 1 x hockey stick
 - 1 x Astroturf shoes
 - 1 x pair shin-guards
 - 1 x mouthguard (as above)
 - 1 x hockey glove to protect left hand (optional)
- ☐ Cricket (Summer Term) – cricket nets start after October Leave-Away
 - 1 x cricket helmet
 - 1 x cricket box
 - 1 x cricket whites (preferably with Radley logo)*
- ☐ Rowing
 - No kit is required at this stage: purchased through the Boat Club once Games Choice has been finalised.
- ☐ Other Sports
 - Trainers

Home Clothes and Nightwear

- ☐ 1 x Jeans
- ☐ 1 x Sweatshirt

- ☐ 3 x T-shirts
- ☐ 1 x Shorts
- ☐ 1 x Casual shoes
- ☐ 2 x Pyjamas
- ☐ 1 x Dressing gown
- ☐ 1 x Slippers/flipflops/sliders
- ☐ 1 x Shoe cleaning kit

All boys should bring their own duvet and pillow, together with two duvet covers. A bottom sheet and pillowcase will be provided by the school. Please ensure the name tapes are sewn near the opening of the cover. Parents should ensure that all clothes and duvets are suitable for machine washing and tumble drying (ideally, polycotton). Hand washable items cannot be laundered at school. There is a dry-cleaning service for suits, gowns, jackets etc. for which there is an extra charge. There is no charge for laundry, the cost of which is included in the basic fees.
