

Sixth Form 2026

Clothing, Sports' Kit and Equipment

Please see below a list of the clothing and equipment required for boys joining the Sixth Form at Radley in September 2026. Please see the [New Boy Information](#) section of the website for further information.

Trunks are discouraged as storage space is limited within Socials. Please bring clothing and equipment in soft luggage bags which are clearly marked with your son's name. In addition, all boys should bring a holdall for use at Leave-Away, Privilege Weekends and away matches.

Items marked * must be obtained from our school outfitters, Stevensons.

Name tapes

Parents will need to order extra woven name tapes from Stevensons to put on bedding and all other 'mufti' (non-uniform) items. In addition, parents must provide the school with an extra 30 woven name tapes, which need to be handed over to the PHM of your son's Social at the start of term.

The name taping service is only offered on items purchased via Stevensons.

If you are name taping items yourself and not ordering through Stevensons, please ensure nametapes are white with capital lettering in the following format: INITIALS – SURNAME 'SOCIAL' e.g. J. C. SMITH 'A'

Electronics

In Sixth Form you have the freedom to purchase a device of your choice. Our recommendation is that the device has a touch screen with linked stylus to allow for handwritten input, and is easy enough to carry around the College for use in and around lessons. There is, and will continue to be, an ever-changing market of devices to purchase, and a product that fits with the above requirements, irrespective of 'spec', will be sufficient. Further information can be found on our website [here](#).

- ☐ 1 x Earphones – a pair of small Bluetooth-enabled headphones required to connect to their device or for lessons incorporating IT.
