Post Results Services

If you think that there has been a mistake with your results, there are post results services available.

Speak to your HoD

In the first instance, speak to your Head of Department.

They may ask for permission to look at your marked exam script (details below).

They may be able to advise on whether a review of marking is appropriate and, if you are considering multiple reviews of marking in one subject, they might advise a sensible order.

Access to Scripts to help support a decision to apply for a review of marking.

To help inform a decision to apply for a review of marking, we are able to download your marked exam scripts from the Awarding Bodies.

We must have the candidate's written consent before any papers are downloaded.

You will be sent a Microsoft form shortly after results are released on Thursday which you can complete to give us permission to download your marked scripts.

Once permission has been granted, HoDs can access the downloaded scripts. If you would like to see a copy of your downloaded script, please liaise with your HoD.

Reviews of Marking

Service 2 Review of Marking (from JCQ guidance)

This is a post-results review of the original marking to ensure that the mark scheme has been applied correctly.

A marking error can occur because of:

- an administrative error;
- a failure to apply the mark scheme where a task has only a 'right' or 'wrong' answer;
- an unreasonable exercise of academic judgement.

The awarding body will train its reviewers to conduct reviews of marking accurately and consistently. Reviewers will not re-mark the script. They will only act to correct any errors identified in the original marking.

The service is available for externally assessed components of both unitised and linear GCE AS, A-level and GCSE specifications. It is also available for Level 1, 2 and 3 Vocational Technical Qualifications, including T levels.

Written candidate consent is required and must be held on file by the centre (see section 4.2).

The deadline for completion is within 20 calendar days of the awarding body receiving the request.

This service will include:

- a clerical re-check
- a review of marking as described above.

Marked copies of scripts

Some exam boards offer a post review copy of the exam script, showing any changes that might have been made. In some cases, there is an extra charge for this.

Please note that these scripts are not always available instantly and, in some cases may not be available until several weeks after the review has been completed.

Once we receive the reviewed script from the exam board, we will send it to you by email.

How to request a review of marking

- Speak to your HoD

the decision to apply for a review of marking lies with the candidate but we strongly advise that you speak to your HoD first.

Remember, your grade may go up, down or remain unchanged.

- Fill in the request form in the Documents and Forms area of your parent/guardian's My School Portal. Make payment via the portal (fee details below)
- Forms open at 9am on Thursday 20th August to allow for conversations with HoDs.
- Please note that one form must be completed per review.
- The College will email you once the application has been submitted.
- The College will email you once a decision has been received from the Awarding Body.
- **NB It is essential that the candidate agrees to the review of marking. The final decision to submit their work for a review must lie with them.**
- Please note, GCSE reviews of marking will be submitted from **1st September** to allow for the processing of A Level reviews which are essential to university places.

Refunds

If a review of marking results in a grade change, the Awarding Body usually refund the fee for at least the paper which resulted in the increase.

This will be confirmed once the College receives final invoices from the Awarding Body.

Please note, this may not be until December/January.

Refunds will be made to the card used to make payment for the review.

Certificates

Certificates will be available for collection in the week before Leave Away in February. We will send an email reminder nearer the time.

If you have left the College, we will send your certificates via a tracked service. We must have written consent to send certificates so please ensure that you have let Mrs Geddes have the address you would like your certificates sent to. We cannot use an address held on file without explicit written consent.

We will hold certificates for three years, after which they will be securely destroyed.
